World MacMillan Coffee 'Afternoon': Friday 29th September 2017

Dear Parents/Carers,

Following on from previous letters & posters around the school, I would like to remind & welcome you to the **'Coffee & Cake Afternoon'** that we will be hosting in school, **on Friday 29th September from 2pm**. This is in support of the **MacMillan Cancer Trust Charity** with all families & friends of the school very welcome. It is a lovely event in the school calendar & one that I hope you are able to support. A variety of cake/biscuits & refreshments will be available from both the school hall & the dining hall. All monies & funds that are raised will be donated to the **MacMillan Cancer Trust Charity**.

You are able to support us with both your attendance at the event & through kind donations of cakes & biscuits. **We ask that these come into school on Thursday & Friday morning. We ask that anything with a short shelf-life or 'cream-based' comes in on the Friday morning if possible.**

Mrs Doyle & classes around the school are also completing baking activities towards the end of the week. As always your generosity will help to raise as much money as possible. Your support with this is very much appreciated.

Many thanks

Mr Sutton
Headteacher
