Follow Me...

In school this week, we have reflected on Sunday's Gospel. We have heard about Jesus starting to gather together the first disciples. Jesus specially chose his first followers, knowing their faults and their needs. They quickly became a community, spreading the Good News and a new way of living life and treating others. We continue to remember that we a special community and family. As a school family, we recognise we are stronger and better together, as we celebrate and live out the Good News.

SAFER INTERNET DAY:

This year we will be celebrating Safer Internet Day 2023 on the 7th February.

Across the country schools and organisations will be working together to promote awareness of ensuring that the internet is a safe and positive place. As a school we recognise the importance of this through our curriculum and encourage you as parents to focus upon online safety with your child, whatever their age, over the coming weeks.

By clicking on the following link:

<https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2023/parents-and-carers>

Here you will find a range of resources to help parents/carers start a conversation with their child and provide safe online support. We will be hosting a series of workshops on Thursday 9th February to signpost and provide support for parents/carers. I encourage you to please attend these important sessions on the following times; 9:10am and 2:15pm in the school hall. Thank-you for your support with this matter.

Polite Reminder: If your child is absent from school, it is a parent's responsibility to inform us. If we do not hear from you, this causes a safeguarding concern for the school, as we need to be assured that your child is safe.

Please help us by reporting any absences swiftly and keeping us informed. Many thanks for your support.

Good-Bye & Good Luck

A special Goodbye and good luck to Miss Doyle today, as she leaves us to start her exciting new role. We also plan to say Goodbye to Miss Williams, we plan to make her final week with us next week a special one too!

Industrial Action

As you will now be aware following a separate letter earlier today, school will be closed to all pupils on Wednesday 1st February. This includes our Breakfast Club and After-School Club provision on this day as well. Information regarding the collection of Free School Meals on this day, for those children and families who it applies to, will be sent out separately on Monday. Thankyou for your support with this matter.

Some of our wonderful work this week....

Year 2 have been investigating how to solve multiplication questions

Year 4T exploring equivalent fractions

Year 5M enjoyed exploring chemical reactions as part of their Science learning

Some pictures of how much fun the children are having in the After School Clubs!
