Dear Children, Parents and Carers,

King Charles III Coronation Celebrations

Today across the school we have been celebrating in advance of the coronation tomorrow of King Charles III. Children and staff have dressed in patriotic colours of red, white and blue. In lessons, we have been learning about the importance and historic significance of the coronation and how this is the start of a new period of history for the country. Children enjoyed a special 'Coronation Buffet' as part of their lunch. Please see overleaf and the school twitter-feed for pictures of the fun learning and activities had.

Year Two and Year Six SATS

Children across Year Two and Year Six are currently in the process of completing their statutory end of key stage assessments. All parents received a letter and important information regarding how these will be completed, with tips for supporting our children. A reminder that these are just a snapshot of their current academic journey in English and Mathematics. They do not represent their many gifts, talents, potential and attributes in other important aspects of their personality and learning. I know that all of our children will shine over the coming weeks!

Easter Celebrations

This week we have been reflecting on last Sunday's Gospel According to John 10:1-10.

Jesus is the Good Shepherd. Through our relationship with Him, we are given a life of love, joy and hope. We remember in our prayers family, friends and those in need of strength and support.

May they know the love and care of Jesus, our Good Shepherd.
