Our Very Own Manchester United Signing!

A huge congratulations to Darcey in Year 4 for signing with Manchester United Under 10's! We are so proud of Darcey.

This wonderful news is perfectly timed with the Women's World Cup which kicks off on Thursday 20th July. What an exciting time to support our Lionesses, who will be a big inspiration to our very own budding footballer, Darcey!

Some of our wonderful work this week ...

The Nursery children have enjoyed tasting different types of chocolate and discussing why they taste different.

Reception loved playing a giant board game where they used a number line to practice adding and subtracting.

Year 1 enjoyed practising their batting skills in PE this week.

Year 2 had a great morning with Chef Denis preparing their ice cream ready to make their own sundaes. They learnt all about the importance of food hygiene.

Some of our wonderful work this week ...

3S are using their map reading skills to use a key to create their faces.

Year 3/4 have set up an investigation to see the impact different drinks have on our teeth. We will be monitoring the eggs to see if we can spot any changes.

5J had a great time, making their very own salsa ... they used different techniques to dice their vegetables.

Year 6 have been writing information texts on Charles Darwin in Science. We researched his life, his journeys and his observations on different species.
