Dear Parents and Carers,

Here at St Margaret Mary's Primary School, me and a group of children are participating in an annual competition called Pupil Profit. Our School has been selected to participate in a pupil profit initiative that will test our abilities in handling a business, but most importantly, we are helping the environment. We're the ECO Refill team and we've created a business called REFILL REVIVE.

Our business refills washing-up liquid, body wash, or hand wash, laundry liquid and fabric conditioner, with our brilliant range of eco-friendly, vegan, free products that are made here in the UK. Reusing and refilling containers reduces waste and it makes our school even more eco-friendly. We are asking you to buy a 500 ml or 250 ml bottle of whatever you choose and once you are finished with it, bring the same bottle back into school (in the Main Office) and we will refill it. We will share our prices with you next week. REFILL REVIVE will open on Tuesday 26th March at 2.30 pm - 3.15 pm and we hope you'll be able to help us. We have been working very hard on this but we need your help to save the environment.
