Dear Parents and Carers,

Please see below our school reflection, important information and celebrations of work and achievement across the school from this week.

Easter Celebrations

This week we have been reflecting on last Sunday's Gospel and the particular theme of Faith. Jesus came amongst his disciples again, shared a meal with them and an offering of peace. From this, we are reminded of the importance of belief and faith in God and his plan for us.

We remind ourselves that we all need faith and hope in our lives. During this season of Easter we pray that our faith is renewed, finding strength and reassurance in this.

While they were still speaking about this, Jesus stood in their midst and said to them
"Peace be with you."

Luke 24:35-48

MTC Meeting

A word of thanks for the parents of pupils in Year Four who were able to attend our meeting earlier this week regarding the Multiplication Tables Check. As you may be aware, this is an assessment that all pupils in Year Four will complete in June. It is a statutory check that assesses their fluent recall of multiplication facts under timed conditions. In doing so it provides a gauge of how well pupils can do this essential mathematical skill and allows school to identify next steps. For those parents who were unable to attend copies of important information shared during the meeting have been sent home.

**Thank You
For Attending!**

Y5 Football

A big well done to a group of boys in Year Five who took part in a football match earlier this week. The team played Cheetwood Primary School, losing a close match 5-2. Thank you to Frankie, Jacob, Joshua H, Joshua H, Ollie S, Axel, David, Oscar, Durel, Ollie B, Maximo, Joseph and Elliot, who represented the school superbly.
