This policy has been approved by St Margaret Mary's Governing Body, adopting the Manchester Model Attendance Policy

1.0 Introduction

- 1.1 Regular school attendance is essential if children are to achieve their full potential.
- 1.2 St Margaret Mary's believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who can realise their full potential and make a positive contribution to their community.
- 1.3 St Margaret Mary's values all pupils. As set out in this policy, we will build strong relationships with families to ensure pupils have the support in place to attend school and identify the reasons for poor attendance.
- 1.4 St Margaret Mary's recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on admissions, safeguarding, anti-bullying, child protection, safeguarding and behaviour and inclusive learning. This policy takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.
- 1.5.1 This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:
- Setting high expectations for the attendance and punctuality of all pupils
 - Promoting good attendance and the benefits of good attendance
 - Reducing absence, including persistent and severe absence
 - Ensuring every pupil has access to the full-time education to which they are entitled
 - Acting early to address patterns of absence
 - Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2.0 Legal Framework

- 2.1 This policy is based on the Department for Education's (DfE's) statutory guidance 'Working together to improve school attendance (*effective from 19th August 2024*) and school attendance parental responsibility measures.

The guidance is based on the following legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)

- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

It also refers to:

- School Census Guidance
- Keeping Children Safe in Education
- Mental health issues affecting a pupil's attendance: guidance for schools

3.0 Safeguarding

- 3.1 Every pupil should be able to learn in an enjoyable and safe environment and be protected from harm. We respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn and participate in all school activities in a relaxed and secure atmosphere.
- 3.2 Attending school regularly promotes the welfare and safety of children whilst they are not in the care of their parents/carers. Safeguarding is about offering early help and support to children and families and difficulties with attendance and lateness may be signs that something is worrying the child or that there are difficulties within the family. Poor or irregular attendance, persistent lateness, or children missing from education may be considered a safeguarding matter if this places a child at risk of harm.
- 3.3 Safeguarding the interests of each child is everyone's responsibility and within the context of this school; safeguarding and promoting the welfare and life opportunities for children encompasses: Attendance, Behaviour Management, Health and Safety, Access to the Curriculum and Anti-bullying, protecting children from abuse and neglect, online safety, radicalisation and extremism, FGM and CSE.
- 3.4 More information on safeguarding and the protection of children can be found in the schools Safeguarding and Child Protection Policy.
- 3.5 In order to allow us to safeguard the children in our care it is important that parents and carers provide the school with their current contact details and provide at least three other contact numbers in case of emergency.
- 3.6 It is also important for parents to inform the school of any specific vulnerability in relation to their child or home circumstances.

4.0 Categorising Absence

- 4.1 Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.
- 4.2 Absence can only be authorised by the headteacher/principal/principal/principal and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.
- 4.3 Parents must advise the school by telephone on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carers, though verbal explanations may be acceptable where this is considered appropriate.
- 4.4 Absence will be categorised as follows:

- 4.4.1 **Illness** Parents may be asked to provide medical evidence to allow the head teacher to authorise absence where appropriate. This will usually be in the form of an appointment card, prescription etc.
- 4.4.2 **Medical/Dental Appointments** Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils must attend school for part of the day. Parents must show the appointment card to school.
- 4.4.3 **Other Authorised Circumstances** This relates to where there is cause for absence due to exceptional circumstances.
- 4.4.4 **Suspended or Excluded (No alternative provision made) Exclusion** from attending school is counted as an authorised absence. The child's class teacher/form tutor/Head of Year will make arrangements for work to be sent home.
- 4.4.5 **Religious Observance** St Margaret Mary's acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration by written request by the parent of authorised absence.
- 4.4.6 **Traveller Absence** It is expected that Traveller children, in common with all other children, are to attend school as regularly and as frequently as possible (see *Appendix 2*)
- 4.4.7 **Late Arrival** Registration begins at 8.45 a.m. pupils arriving after this time will be marked as present but arriving late (code L). The register will close at (9.15 a.m.) (*no more than thirty minutes after the opening of the register*) pupils arriving after the close of register will be recorded as late (code U) this is not authorised.
- On arrival after the close of register, pupils must immediately report to the school office to ensure that we can be responsible for their health and safety whilst they are in school. The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment. The absence will be recorded as unauthorised if the pupil has arrived late without justifiable cause.
- 4.4.8 **Unauthorised absence** - Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the head teacher.
- 4.4.9 A full list of the Department for Education (DfE) Registration Codes can be found in Appendix 1.
- Examples of an unsatisfactory explanation would be, but not limited to:
- A child or family member's birthday
 - A shopping trip
 - A day trip out
 - A child didn't wake up in time for school
- 4.5 All requests for leave of absence in term, including holidays, will be responded to in writing.
- 4.5.1 If a pupil fails to return from a leave of absence and contact with the parents has not been made or received, school may take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2013. This means that the child will lose their school place.

- 4.5.2 If the permission to take leave is not granted and the parent takes their child out of school the absence will be unauthorised. In such cases the school may request the local authority issue a Penalty Notice or consider other legal sanctions including prosecution in the magistrate's court. This will follow Manchester Statutory Action Escalation Pathway

6.0 Attendance Data

6.1 Use of Attendance Data

The school will:

Monitor attendance and absence data half-termly, termly, and yearly across the school and at an individual pupil level.

Identify whether there are groups of children whose absences may be a cause for concern or particular cohorts of pupils where attendance is affecting their achievement/outcomes.

Pupil-level absence data will be collected each term and published at national and Local Authority level through the DfE's school absence national statistics releases.

The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the Governing Board.

6.2 Analysing attendance data

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence

6.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families

6.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Invite to informal meeting offering support
- Coordinating Early Help Support
- Liaising with other agencies to provide support

7.0 Support Systems

7.1 School recognise that poor attendance is often an indication of difficulties and trauma in a child's life. This may be related to problems at home and/or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required. It is expected that the child and their family work collaboratively with school to identify the anxiety-based school avoidance resources most appropriate for support and to accept the support that is offered or advised

7.2 St Margaret Mary's also recognise that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and children with a social worker

7.3 The school will implement a range of strategies to support improved attendance for all pupils. Strategies used will include:

- Ensuring praise and small rewards are given where a child's attendance has improved to provide encouragement; including visiting "St Margaret Mary's Attendance Prize Shop"
- Our weekly "St Margaret Mary's Attendance Prize Shop" where children with excellent attendance and punctuality that week or improved attendance, will be selected to receive a reward or prize
- Students will appear on our "Attendance" display board to promote excellent attendance school wide

- We follow Manchester's Graduated Approach to Attendance as well as our Attendance Distributed Leadership model as shown attached, as part of our escalation process and our graduated approach to school attendance
 - We have positive and supportive meetings with parents/carers to see how school can support the families as well as the child
 - Intervention with our CARITAS Support Worker if needed
 - Referrals to School Health or Early Help where required
 - Initiating an Early Help Assessment and/or referral to appropriate agencies such as M Thrive or Early Help Hubs
 - Pupil voice activities
 - Use of Emotional Barriers to School Attendance pathway (EBSA)
 - Trauma-informed approaches
 - Time limited part time time-tables
 - Inclusion Strategy Toolkit
 - Reintegration support packages
- 7.4 If a pupil has an Education, Health & Care plan, St Margaret Mary's will communicate with Manchester City Council EHCP Team at an early stage once they become aware of barriers to attendance that relate to the child's needs
- 7.5 Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, **St Margaret Mary's may consider the use of legal sanctions following Manchester City Councils Code of Conduct**
- 8.0 **Legal Sanctions**
- 8.1 St Margaret Mary's will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis
- Penalty notices**
- 8.2 Manchester City Council, upon a request from school, can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice
- 8.3 Before requesting a legal sanction, the school will consider the individual case, including:
- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
 - Whether a penalty notice is the best available tool to improve attendance for that pupil
 - Whether appropriate support has been put in place
 - Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate
- 8.4 Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence

- 8.5 The payment must be made directly to the local authority. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice
- 8.6 If issued with a first penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days
- 8.7 If a second penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days
- 8.8 A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notice to Improve

- 8.9 If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, a Notice to Improve letter will be issued in line with processes set out in by Manchester City Council's Code of Conduct. This will include a clear warning that a penalty notice may be issued if attendance doesn't improve within the monitoring period which will be up to 6 weeks. Sufficient improvement will be decided on a case-by-case basis.

Appendix 2: Traveller Family Absence

To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1996, section 444(6), states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in the year preceding the absence. This applies only when the family proves it is engaged in a trade or business that requires it to travel and when the child is attending school as regularly as that trade permits.

When in or around Manchester, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.

St Margaret Mary's will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the pupil's school place at St Margaret Mary's will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

St Margaret Mary's can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:

advise of their forthcoming travelling patterns before they happen; and
inform the school regarding proposed return dates

St Margaret Mary's will authorise absence of Traveller children if we are satisfied that a family is travelling for work or trade purposes and has given indication that they intend to return.

Traveller children will be recorded as attending an approved educational activity when:

The child is on roll and attending another visited school

Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service

The child is undertaking computer-based distance learning that is time evidenced

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil and appropriate statutory action may be undertaken.

Attendance Distributed Leadership Model

GREEN - Pupils with attendance between 100% to 97%

- Parents/ Carers will receive a half-termly letter congratulating them on their excellent attendance.
- Pupils will be rewarded within the school's award systems in recognition of good/excellent attendance each Friday at our "Attendance Prize Shop."
- Pupils with this level of termly and annual attendance will receive a certificate of achievement and their names will be displayed on the school attendance notice/display board.

AMBER – GREEN Pupils with attendance between 96% and 94%

(NB Autumn term and number of days in school over absence will significantly impact %. As a result, close monitoring will occur alongside appropriate choice if supportive actions needed.)

Attendance Officer / Admin staff will speak with parents directly to:

- Confirm with the parent the reason for absence and offer any support that may be required.
- Set an individual attendance target for the pupil to support improving their attendance.
- In addition, where unauthorised absence has occurred or attendance has not improved following the review, a letter will be sent to parents advising of concern and outlining their responsibilities.

Where improvement has not occurred following this intervention, parents will be invited to a meeting where the possible outcomes will be:

- All parties confident that issues have been resolved and the attendance will improve swiftly within an agreed period.
- Does the family need support through an Early Help Assessment?
- Is a referral needed or additional interventions to support pupil?

AMBER-RED Pupils with attendance between 93% and 91%

Headteacher/ Attendance Officer will speak to the parent to:

- Identify underlying barriers that may be causing the pupil's absence and consider appropriate support such as Early Help, Manchester Thrive Hubs etc.
- Review the pupil's academic progress and make links to the pupil's attendance
- Communicate the work missed due to school's absence
- If necessary school will implement a Pastoral Support Plan or review other existing pupil plans to include support and improve attendance. If required a multi-agency meeting or review will take place to address concerns.
- Set an individual attendance target for the pupil before the next review dates and agree a review date

In addition, where unauthorised absence has occurred or attendance has not improved following the review, a letter will be sent to parent/carer advising of concern and possible future statutory action.

If improvement has not occurred following this intervention, parents will be invited to a meeting where the possible outcomes will be:

- All parties confident that issues have been resolved and the attendance will improve
- Penalty Notice 15 school day monitoring period commences
- Agree a review date

Where parents fail to attend the meeting without a satisfactory reason and unauthorised absence has occurred, the penalty notice monitoring period will automatically commence.

Where these interventions have already been implemented and have had unsatisfactory impact, the parent will be invited to an Attendance Panel where the possible outcomes will be:

- Support offered through an Early Help Assessment (EHA) with the school acting as lead professional
- A referral to the Local Authority will be carried out where a parent fails to attend planned meetings without providing a satisfactory reason and where a minimum of two home visits have been carried out
- The Headteacher and Attendance Officer will be responsible for all actions and outcomes and monitoring of attendance post meeting / panel.

RED - Pupils with attendance below 90%

To ensure that intervention is focused and meets the needs of individuals, pupils may be grouped into any of the following categories to ensure they receive personalised support to meet need and address reasons for absence including:

- Looked After Children and Children on the Child Protection Register
- Any children who have previously been missing or absent in education
- Special Educational Needs
- School age parents/expectant parents
- Parental support/needs e.g. parental drug use, young carers, domestic violence
- School issues e.g. bullying, poor teacher/pupil relationship, curriculum issues
- Offended or have an Anti-Social Behaviour Order
- English as an Additional Language
- Ethnic minority • Mid-Year Admissions
- Other

The Headteacher alongside the Attendance Officer will:

- Ensure that the pupil has already spoken to a member of staff at the stages proceeding RED intervention (AMBER-RED intervention will occur in cases where the pupil has immediately fallen from GREEN into RED)
- Obtain records of previous contact and interventions as set out in AMBER-RED and escalate accordingly
- Ensure that weekly contact occurs with the pupil either individually or within a small group to address themed issues
- Ensure that weekly contact with the parents to discuss any arising issues and to provide feedback on their child's attendance, pastoral and academic progress
- Review existing plans and co-ordinate school resources to support the pupil's attendance and any additional needs
 - Be the key contact person for any external agency working with the pupil
 - Input into whole school strategies to address the needs of pupils within their group
 - Each identified member of staff will be responsible for all action at this level and will record all intervention and outcomes. All actions and interventions will be recorded.
 - Co-ordinate multi-agency meeting to address concerns
 - Where appropriate initiate statutory action

A member of the Senior Leadership Team will monitor the effectiveness of interventions. This will be used to review and inform whole school self-evaluation and impact of interventions.

The review will include:

- Children in Amber-Green/Amber-Red/Red
- What actions, if needed, have been taken place
- Which children have moved groups Attendance will be a standing item on the agenda of the Senior Leadership Team meetings where the progress of these groups will be reported and the effectiveness of interventions measured. This will be used to review and inform intervention. The Headteacher will report to the Chair of Governors about attendance each half term and will report termly to the Governing Body on attendance matters including the percentage of persistently absent pupils and the effectiveness of strategies to improve attendance.
