Monday 3<sup>rd</sup> October 2022

Dear Parent/Carer[s]

We would like to invite you to an important 'Parent Workshop' on **Monday 10<sup>th</sup> October 2022 at 3pm.**

The workshop will focus on some key information including; the role of the key worker and how to support your child with communication and language at home.

We have also invited Paula Crerar, who works across our local Sure Start Centres. She will be sharing important information about what our local Sure Start Centres can offer and how you can be supported with parenting and your child's crucial early development. We also have our school dental nurse Kathryn Fleming in attendance, who will give you some information about our school teeth-brushing scheme.

The workshop will be held in the EYFS building and is for our Nursery parents. We expect the session to last around 30 minutes and there will be an opportunity to ask any questions and chat with the EYFS staff, Paula and Kathryn afterwards.

Please try to attend this important session, to learn how best to support your child and access some really useful resources.

Thank you for your continued support

Mrs Welch

EYFS Lead
