

# St Margaret Mary's R.C. Primary School

## Key Stage Two SAT Results 2015

2015 schools performance tables published by the Secretary of State are available on the Department for Education website from December 2015.

SATS are National Assessment tests that the children take at the end of KS1 and KS2. At the end of Key Stage Two, which is at the end of Year Six the percentage of children at St Margaret Mary's RCPS achieving each level is shown in the table below.

There were 42 children in Year Six and they all took the test.

N.B. Level 4 is the expected level for this age range and 2 levels is the expected progress.

|   | <b>Level 4+</b> | <b>Level 5+</b> | <b>2 Levels Progress from KS1</b> | <b>3 Levels Progress from KS1</b> |
|---|-----------------|-----------------|-----------------------------------|-----------------------------------|
| <b>Reading</b>                                      | 100%            | 83%             | 100%                              | 54%                               |
| <b>Writing Teacher Assessment</b>                   | 100%            | 64%             | 100%                              | 44%                               |
| <b>Mathematics Test</b>                             | 100%            | 76%             | 100%                              | 79%                               |
| <b>Reading, Writing &amp; Maths</b>                 | 100%            | 62%             |                                   |                                   |
| <b>Spelling Punctuation and Grammar Test (SPAG)</b> | 98%             | 93%             |                                   |                                   |
